2026 Export Controls Training & Conference

11-12 May, 2026 | Canberra
exportcontrolsconference.com.au

Technical Data Security Best Practices & Challenges

Presented by **Kylah Limmer**
Head of Fujitsu's Global Defence Office

About Kylah Limmer

As Head of Fujitsu's Global Defence Office, Kylah Limmer is responsible for the strategic direction and operational management of Fujitsu's global defence solutions. Kylah is keen to ensure continued strong links between nations to best position our Defence Forces as we counter the increasing security challenges. With more than two decades of experience as a senior executive across the enterprise technology sector, she maintains highly regarded relationships with Defence military and industry ecosystems worldwide. In 2024 and 2025 Kylah was recognized as a Finalist in the Defence Female Leader of the Year awards. Kylah holds a Degree in Security, Terrorism and Counter Terrorism.

U.S. Legislative Update on Export Control Reforms

Presented by **Kevin Wolf**
Compliance Attorney & Partner, Akin Gump

About Kevin Wolf

Kevin Wolf is a partner in Akin's international trade practice and based in Washington, D.C. Before joining Akin, Mr. Wolf served for seven years (2010-2017) as the Assistant Secretary of Commerce for Export Administration in the Bureau of Industry and Security (BIS) at the Department of Commerce. In this role, his primary responsibility was leading the administration of the export control and licensing functions of BIS. Working closely with his colleagues at the departments of Defense and State, and the National Security Council, Mr. Wolf was the primary strategist, negotiator and implementer of President Obama's Export Control Reform (ECR) Initiative.

Mr. Wolf's primary role with Akin is as a compliance attorney working with US and allied country companies in the semiconductor and defense industries.
